About PyTorch Conference North America

October 20-21, 2026 | San Jose, CA

Don't miss your opportunity to shape the future of generative AI/ML! Join us at the PyTorch Conference North America 2026, where collaboration, innovation, and progress intersect in the cutting-edge open source machine learning framework. This conference brings together leading researchers, developers, and academics, facilitating collaboration and pushing forward end-to-end machine learning.

"This was hands-down one of the best organized and most enjoyable conferences I've been to in the last many years."

"There is a reason why I brought so much of my engineering team here, there is absolutely no replacement for the in-person connection and collaboration that you get from the folks who you're working with regularly in GitHub, on the Pytorch Forums, and even inside your own company."

"You never know where the next conversation will take you and what opportunities it will unlock in your career."

"It has been unanimously saluted as a memorable experience, featuring insightful discussions, innovative ideas, and a collaborative atmosphere that showcased the best of our community."

"Thank you again for creating this standard-setting conference, I am already looking forward to next year's event and the opportunity to continue pushing the boundaries of what's possible with the PyTorch ecosystem."
