## 2026 SPONSORSHIP PROSPECTUS

### About PyTorch Conference North America

October 20-21, 2026 | San Jose, CA

Don't miss your opportunity to shape the future of generative AI/ML! Join us at the PyTorch Conference North America 2026, where collaboration, innovation, and progress intersect in the cutting-edge open source machine learning framework. This conference brings together leading researchers, developers, and academics, facilitating collaboration and pushing forward end-to-end machine learning.

*"This was hands-down one of the best organized and most enjoyable conferences I've been to in the last many years."*

*"There is a reason why I brought so much of my engineering team here, there is absolutely no replacement for the in-person connection and collaboration that you get from the folks who you're working with regularly in GitHub, on the PyTorch Forums, and even inside your own company."*

*"You never know where the next conversation will take you and what opportunities it will unlock in your career."*

*"It has been unanimously saluted as a memorable experience, featuring insightful discussions, innovative ideas, and a collaborative atmosphere that showcased the best of our community."*

*"Thank you again for creating this standard-setting conference, I am already looking forward to next year's event and the opportunity to continue pushing the boundaries of what's possible with the PyTorch ecosystem."*

## Why Sponsor

Sponsoring the PyTorch Conference North America is a strategic investment in the “Intelligence Layer” of your business. As the framework of choice for the world’s leading AI researchers and engineers, PyTorch is the engine driving the transition from experimental RAG to production-grade Agentic AI.

By joining us in 2026, you integrate your brand into the high-density hub of the AI/ML ecosystem, gaining direct access to the practitioners and decision-makers who define the modern AI stack.

## 2026 Anticipated Attendance

3,500 In-Person Attendees

## The Power of the PyTorch Audience

<p><b>Targeted Technical Density</b> 40% of the audience are specialized AI/ML engineers and researchers</p>	<p><b>Executive Decision-Makers</b> 20% are technical leaders and strategic decision-makers</p>
<p><b>App &amp; Infrastructure Development</b> 15% are developers and engineers focused on the AI lifecycle</p>	<p><b>The Future of Research</b> 15% represent academia, venture capital, and industry analysts</p>

## Key Benefits for Your Organization

<p><b>Elevate Your Technical Authority</b> Position your brand at the center of the AI revolution. Showcase your commitment to the PyTorch mission and gain recognition as a primary driver of open-source AI advancement.</p>	<p><b>Forge High-Value Partnerships</b> Move beyond casual networking. Engage with a concentrated group of technical contributors and industry peers to discover collaborative opportunities in hardware acceleration and model deployment.</p>
<p><b>Recruit Elite Specialized Talent</b> The competition for AI talent is fierce. Use this platform to highlight your engineering culture and solve your most difficult hiring challenges by meeting the brightest minds in the field.</p>	<p><b>Accelerate Market Adoption</b> Demonstrate your thought leadership and latest tooling directly to the power users who decide which platforms, libraries, and infrastructures become the enterprise standard.</p>

Attendee estimates are based on registration trends from previous events and represent a curated, high-impact audience of industry specialists.
