RISC-V FORUMS

April - July 2021 | Virtual Experience

2021 SPONSORSHIP

PROSPECTUS

RISC-V Forum short-form virtual events provide deep exploration into a single-topic that is important and timely to the RISC-V Community. By bringing together the community and RISC-V experts for deep-dive presentations, hands-on learning, and networking with technical enthusiasts, the Forums are a unique opportunity to connect with the RISC-V community.

Three events, each on a specific topic, with one sponsor. Sponsor one or multiple events and gain visibility with your target audience.

Who attends:
Chip designers and manufactures, cloud / hyperscale companies, solution and testing providers in the area of chip management, CIOs, CTOs, and end users.

Why Sponsor?

- **Educate the community** on your work in the specific Forum topic area and meet the attendees who are interested in that topic.

- **Take advantage** of a professionally-organized conference run by a neutral nonprofit where content is curated by the community.

- **Associate your brand** with one of the fastest-growing open source hardware technologies.

- **Support and engage** with the RISC-V eco-system and community.
