2026 SPONSORSHIP OPPORTUNITIES

seL4 Summit

1–3 September 2026 | Vancouver, Canada

The seL4 Summit is the annual international summit on the seL4 microkernel, the world's most highly assured OS kernel, as well as on all seL4-related technology, tools, infrastructure, products, projects, and people.

The seL4 Summit gathers the seL4 community to learn, share, and connect:

Learn — about the seL4 technology, its latest progress, use, successes, challenges, and plans
Share — exciting seL4 development, research, experience, and applications in the real world
Connect — with other seL4 developers, users, providers, supporters, and potential partners

---

NEW!

The 2026 edition of the seL4 summit will feature a **full first day dedicated** to **applications, overviews, and perspectives** on seL4-based systems and formally verified software in the real world. This will be followed by Days 2 and 3 focusing on more technical development, research, reports, and discussions.

We are particularly keen to **welcome people who are new to seL4** or still developing their familiarity with the technology. The event will offer an **ideal opportunity to gain a high-level view of the landscape and ecosystem** of seL4 and its associated tools, frameworks and languages, as well as formally verified software in general, and to take stock of the latest updates.

The program includes a wide range of seL4-related themes and topics:

Themes

- visions, lessons-learned, roadmaps for verified software deployments
- use-cases, deployments, experiences
- walk-throughs and demos of tools, frameworks, systems
- early work, crazy ideas, out-of-the-box thinking
- technical progress, updates, breakthroughs

Topics

- seL4 experience reports
- seL4 and assurance
- seL4 on-going and planned R&D, mature of early stage
- seL4 and hardware

Sponsorship Packages

Established in 2020, the seL4 Foundation brings together developers of the seL4 kernel, developers of seL4-based components and frameworks, and those adopting seL4 in real-world systems. Between 2018 and 2025, more than 690 participants took part in the seL4 conferences. Participants come from industry, government and universities and include the creators of the seL4 technology and the research behind it. Many participants are practitioners deploying seL4-based products, as well as industry and government customers.

Your benefits as a sponsor:

• Get strong visibility as a major player in the seL4 ecosystem

• Showcase your seL4-based products, technology and services to target audiences in the field of seL4

• Support the open-source technology and community

• Connect directly with attendees through the expo booth, branding materials, and videos
