## **Academy Software Foundation Open Source Days**

**July 28, 2024 | Denver, CO**

Open Source Days, hosted by Academy Software Foundation, is the leading event dedicated to open source software for visual effects, animation and digital content creation, bringing together more than 200 technical executives, software developers, engineers, pipeline supervisors, technical directors, technical artists, and more.

The Academy Software Foundation hosts and maintains open source projects that are widely used by visual effects and animation studios. Your sponsorship of Open Source Days supports the Foundation as we work to attract new contributors and grow our project communities.

### **Sponsorship benefits for your organization:**

- Showcase your organization's support for the Academy Software Foundation and open source software development.
- Raise awareness for the work your organization is doing to support popular open source projects.
- Increase visibility among potential new employees.
- Introduce potential contributors to projects that are important to your organization.
