

The Cloud Foundry Foundation is happy to continue to host a community gathering in Europe this year too! Our special event is going to be held in Karlsruhe, Germany.

The event will follow the patterns of last year's event in Heidelberg, and will bring core maintainers, end-users, and every-one in between for a full day of technical presentations, demos, discussions, and opportunities to network. We're confident this will be a great opportunity for the community to come together, provide updates on existing projects, get a preview of upcoming features, and discuss all things Cloud Foundry.

In addition to the technical and community content, this one day event will include lunch at the venue and an evening reception nearby. A sponsorship is a strong way to show your support for Cloud Foundry and helps make this event a reality.

Sponsorship Deadline: September 6, 2024
