

About JupyterCon 2025 • November 4-5, 2025 | San Diego, CA

JupyterCon 2025 is the premier event for the global Project Jupyter community — bringing together hundreds of developers, data scientists, researchers, educators, and business leaders to share how they're using and developing Jupyter tools to drive innovation in data science, machine learning, artificial intelligence, scientific research, and education.

This year's conference will take place in person in San Diego, CA, on November 4 - 5, 2025, with a full day of tutorials on November 3. The event features high-impact keynote speakers, hands-on training sessions, in-depth technical talks, and real-world case studies from across industries and research fields.

From Jupyter Notebook to JupyterHub, JupyterLab, and beyond, JupyterCon is the central hub for discovering the latest project developments, community contributions, and emerging use cases — all in an open, inclusive environment.

Whether you're building developer tools, engaging data professionals, or aligning your brand with cutting-edge open source work, JupyterCon offers a unique opportunity to connect with the community shaping the future of interactive computing.

Attendee Testimonials

"Excellent selection of topics, speakers, good opportunities to connect with others."

"JupyterCon23 was awesome. It kept its core value of a community gathering to share ideas and collaborate."

"The conference was great in every aspect I can think of. Very impressive!"

"This was my first JupyterCon. I was nervous, but it turned out to be amazing, even down to the little details."

96% found it to be a community event where attendees could connect, engage, + foster collaboration

BRAND VISIBILITY

Showcase your company's commitment to open source, data science, and developer communities. As a sponsor, your brand will be prominently featured across event materials, on-site signage, and digital channels — reaching thousands of influential practitioners and decision-makers.

TALENT ENGAGEMENT

Connect directly with top engineers, analysts, researchers, and data scientists. JupyterCon attracts a highly technical, engaged audience eager to learn about innovative tools, companies, and career opportunities.

THOUGHT LEADERSHIP

Position your company as a leader in the data and AI ecosystem. Participate in content-rich conversations, highlight your technical expertise, and share your solutions with a community that values collaboration and transparency.

COMMUNITY IMPACT

Support the open source tools powering data-driven discovery and education across the globe. Your sponsorship helps fund a world-class event that's accessible to contributors, educators, and underrepresented groups.

BUSINESS DEVELOPMENT

Meet key decision-makers from industry, research, and academia who are actively evaluating technologies and building open source infrastructure. JupyterCon is where relationships are formed, partnerships are launched, and ecosystems grow.

Scholarships

\$2,500 MIN • UNLIMITED

Research shows that more inclusive teams perform better, innovate more, and produce more profitable outcomes. By sponsoring scholarships for underrepresented attendees (women and non-binary individuals, persons from marginalized communities, and persons with disabilities), you are not only helping an individual who might not otherwise be able to join the event, but you're also supporting the overall community in achieving better outcomes. Benefits include:

- Logo and link on conference website.
- Logo recognition on rotating slides before and after keynotes.
- Sponsor recognition in scholarship acceptance notifications.

Sprints

\$20,000 • 1 AVAILABLE

Be part of the energy and innovation by sponsoring Sprints— casual, unstructured gatherings where people collaborate on a variety of creative ideas. Sprints foster community, creativity, and connection, making them a valuable touchpoint for companies looking to engage with passionate, forward-thinking individuals. Benefits include:

- Logo recognition on rotating slides before and after keynotes at JupyterCon.
- Prominent branding on signage in the sprints session room and lunch station.
