Open Networking & Edge Summit

2026 December 10-11 | Tokyo, Japan

HOSTED ALONGSIDE OPEN SOURCE SUMMIT

For over 11 years, Open Networking & Edge Summit has remained the premier event for open networking, edge, cloud, and IoT industries, bringing together technical and business leaders for in-depth, interactive discussions in a neutral and collaborative environment. This dynamic forum fosters innovative planning and strategizing of cutting-edge technologies with the operational support needed to maximize their impact.

This year's event is hosted alongside Open Source Summit Japan given the global nature of the open source ecosystem as the industry undergoes massive transformation. Advancements towards new business models powered by technologies like Kubernetes, AI and APIs enable disaggregation, automation, and dynamic scalability, reshaping how networks are designed and managed. At the Summit, technical and business leaders collaboratively explore these advancements, integrating the latest innovations

with operational and business strategies to push the boundaries of cloud-native networking and edge technologies in a collaborative, open source-driven environment.

With content for communications, cloud, and telecom service providers, as well as enterprise verticals requiring advanced networking capabilities through core, access, and edge, attendees learn to leverage open source ecosystems to realize digital transformation and Industry 4.0.

Open Networking & Edge Summit 2026 Industry Discussions

- The totality of open source projects across cloud-native networking, edge, connectivity, access, (including domain-specific AI), and automation.
- Generating new revenue streams for service providers leveraging Cloud Native technologies, AI and API exposure
- Enterprises government, global service providers, cloud, and more.
- Input from networking ecosystem decision-makers across architectural, technical and business domains.

Largest neutral, open networking and edge event

Disruptive Technology focus:
AI Use cases in cloud native networking & edge/IOT, access (open RAN, 6G, fixed wireless access), quantum computing, WASM, satellite connectivity, applications & more

Attendees span technical & business executives, enterprise, telecom & cloud service providers, creators, implementers, evangelists, & more

Collaborative format with hallway tracks, visionary & inventor keynotes, and more

Discussions on practical industry challenges in 2026 & beyond

Who Attends?

Since 2011, Open Networking & Edge Summit has grown from a couple hundred attendees in its first year, to a combined tens of thousands of industry thought leaders, thinkers, and doers. Representatives from across 5 continents, over 200 countries, and thousands of professional organizations and passionate speakers all come together to transform “Networking,” to “Open Networking,” to “Open Networking and Edge,” which now includes AI applications and use cases.

- Attendees represent a diversity of cross-industry sectors, including: cloud and telecom service providers; enterprise vertical leaders in **energy, health care, finance, industry, consumer staples, software,** university & research, government technologists, standards and consortium partners, and more.
- Job functions include **CXO, Architect, Developer, Executive Leader, Management, Legal/Compliance, DevOps, Product, Business Development, and more.**

2026 SPONSORSHIP PROSPECTUS

Marketing Promotional Opportunities

Attendee T-Shirt \$8,000 • 1 Available

Showcase your logo on the attendee t-shirt! Every attendee at the event will receive an event t-shirt. Our designers always create fun shirts that are worn for years to come. Includes your logo on sleeve of shirt. Pricing includes single color logo imprint. Full color logo imprint available at an additional cost.

Lanyards \$5,000 • 1 Available

The opportunity for all conference attendees to wear your logo. Logo size and placement subject to lanyard design. Logo must be single color only (no gradient colors).

- Level sponsorship required

Breaks + Lunch \$5,000 • 2 Available

- Sponsorship includes prominent branding at all break and lunch stations for one day of the event.
- Logo and link on conference website

Scholarships \$2,500+ • Unlimited

Research shows that more inclusive teams perform better, innovate more, and produce more profitable outcomes. By sponsoring scholarships for under-represented attendees (women and non-binary individuals, persons from marginalized communities, and persons with disabilities), you are not only helping an individual who might not otherwise be able to join the event, but you're also supporting the overall community in achieving better outcomes. Benefits include:

- Logo and link on conference website
- Logo recognition on rotating slides before and after keynotes
- Sponsor recognition in scholarship acceptance notifications

Track Sponsorship \$3,500 • 3 Per Track Available

- Logo on branded signage outside conference room(s) specific to the track of your choosing.
- Logo on track webpage and in event promotional materials.
- Branding on Conference Video Recordings: Your logo will be included on the opening title slide of all recordings from your chosen track. Videos are publicly available on The LF Networking YouTube Channel and viewed by thousands.
- Level sponsorship required

Custom Add Ons Price available upon request

If you are looking for a more tailored opportunity to amplify your impact our team is happy to work with you to come up with a customized add on to meet your organization's individual needs.
