About PyTorch Conference

October 22-23, 2025 | San Francisco, CA

Don't miss your opportunity to shape the future of generative AI/ML! Join us at the PyTorch Conference 2025, where collaboration, innovation, and progress intersect in the cutting-edge open source machine learning framework. This conference brings together leading researchers, developers, and academics, facilitating collaboration and pushing forward end-to-end machine learning.

"This was hands-down one of the best organized and most enjoyable conferences I've been to in the last many years."

"There is a reason why I brought so much of my engineering team here, there is absolutely no replacement for the in-person connection and collaboration that you get from the folks who you're working with regularly in GitHub, on the Pytorch Forums, and even inside your own company."

"You never know where the next conversation will take you and what opportunities it will unlock in your career."

"It has been unanimously saluted as a memorable experience, featuring insightful discussions, innovative ideas, and a collaborative atmosphere that showcased the best of our community."

"Thank you again for creating this standard-setting conference, I am already looking forward to next year's event and the opportunity to continue pushing the boundaries of what's possible with the PyTorch ecosystem."

Why Sponsor

Sponsoring the PyTorch Conference 2025 goes beyond mere visibility—it's a strategic move to integrate your organization into the dynamic AI/ML community.
