RISC-V Summit North America

October 22-23, 2025 | Santa Clara, California

RISC-V is enabling innovation that is changing the future of compute. RISC-V is already in billions of processors worldwide across a wide range of markets and applications, from artificial intelligence to automotive to data center to wireless and much more.

Join the movement shaping history

RISC-V wants to ensure the success of its global community. With that in mind, RISC-V Summit North America 2025 is being designed to maximize the ROI of our sponsors by offering a range of sponsorship options. From speaking opportunities on the main stage, to prominent show visibility, to expo floor presence, to video interviews and much more, we are offering multiple ways to showcase your organization at the Summit and to the world. Stand out in this high-growth community.

Upgrade your presence to Diamond or Platinum levels to maximize your ROI. Elevate your organization's presence by participating in exclusive events and receive personal attention from RISC-V International's executives and staff.

Start with speaking appearances in our RISC-V demo theater or even on our main stage. Share your wisdom, announce a new product, or detail your vision and roadmap ... the stage is yours. Choose from our sponsorship options to design a presence that will help your organization achieve its business goals and objective.

Act now. Quantities for the premium sponsorship tiers are limited.

Developer Zone

Where Innovation Meets Opportunity

The RISC-V Developer Zone will be a key destination for those attending the North America Summit, sending the message that "RISC-V is real and ready for developers." It will showcase the range of technologies available to hardware and software developers creating the next generation of computing applications. It is a great opportunity to show your solutions to developers hungry to adopt RISC-V for their projects.

The Developer Zone features companies giving demonstrations of their development products and solutions in action. Sponsorship includes a turnkey pod, signage, promotion, and web listing. The cost is $15,000 with a discounted rate for current sponsors.

The RISC-V Developer Zone also features a display of RISC-V developer boards available for use today. Participation to display is free.

Why Participate?

- **Exposure:** The Developer Zone will be prominently positioned in the Expo Hall as a major community feature and networking hub, drawing the attention of key players.
- **Reach:** Showcase your innovations to a diverse audience of developers, engineers, companies, and decision-makers from around the world.
- **Networking:** Connect with the exact developer community and companies you want to engage with and foster meaningful relationships.
- **Leadership:** Demonstrate your commitment to supporting the RISC-V ecosystem.
