COVID-19 & 2022 Events:

Many of our 2022 events are being planned as 'hybrid events'—an in person event with a virtual component for those that cannot attend in person. Given the fluid COVID-19 situation, this may change, and we may need to once again pivot hybrid events to virtual ones.

In the cases where this happens:

- We will make the decision and notify all participants at least 3 months in advance.
- Sponsors will, at that time, be presented with the new virtual event sponsorship pricing and benefits, and will have 14 days to choose whether to transfer their sponsorship to the virtual format, or receive a full refund.
- For any event that takes place in person, we will take all necessary precautions to ensure the safety of those in attendance.
