The Cloud Native Computing Foundation’s flagship conference gathers top technologists from leading open source and cloud native communities in a unique virtual setting to further the education and advancement of cloud native computing.

November 17-20, 2020

Benefits of Sponsorship:

✓ Expand the number of attendees you can reach by participating in a global digital event that can be accessed anytime, anywhere.

✓ Participate in an online sponsor showcase to present videos, demos, and other resources, capture leads, and communicate directly with attendees via live chat.

✓ Engage with the industry’s top developers, end users, and vendors – including the world’s largest public cloud and enterprise software companies as well as hundreds of innovative startups.

✓ Inform and educate the cloud native community about your organization’s products, services, open source strategies, and cloud native direction.

✓ Take advantage of a professionally-organized conference run by a neutral nonprofit where content is curated by the community.

✓ Associate your brand with one of the fastest-growing technology communities.

✓ Support and engage with the ecosystem and the community that is the engine driving some of the highest velocity open source projects in the industry.

✓ Join CNCF’s hosted projects – Kubernetes, Prometheus, Envoy, CoreDNS, containerd, Fluentd, Jaeger, Vitess, TUF, Helm, OpenTracing, gRPC, CNI, Notary, NATS, Linkerd, Rook, Harbor, etcd, Open Policy Agent, CRI-O, TiKV, CloudEvents, Falco, Argo, and Dragonfly – and help bring cloud native project communities together.

✓ Give back to the open source community. CNCF reinvests profits from our events to directly support CNCF’s hosted projects.

CNCF reserves the right to make minor adjustments to the sponsorship benefits and to increase/decrease the number of available sponsorships.

*See next page for details.

**Start-up sponsors must be CNCF members, must be in business for less than 3 years, must have less than $1M in revenue and less than 50 employees.

***Available to CNCF end user members and supporters. Primary focus of end user sponsorship is recruiting.
5-Minute Pre-Event Promotional Video

Promote your presence at the event and give a sneak peek of the activities your company has planned. Video will be posted on CNCF’s YouTube channel and promoted from the @KubeCon_ Twitter handle.

Opportunity to Provide Physical Insert for Attendee Gift Bags

Attendees who actively participate in the virtual conference by watching sessions, visiting sponsor booths, etc. will receive a physical swag bag after the event. Provide one physical item to be included in the bag to thank attendees for their contribution to a successful event.

Customized Pop-Up Message

Drive traffic to your booth or draw attention to an important announcement with a one-time pop-up message in the virtual event platform during a session break.

Featured Blog Post on CNCF.io

Demonstrate thought leadership in the cloud native community with a blog post before or after the event. The post will be featured at the top of the blog page and highlighted in the blog section of the CNCF homepage for a week.

Co-located Event Cross-Promotion Package or 30-Minute Sponsored Session

Diamond sponsors may choose between receiving a promotion package for their own co-located event or a 30-minute pre-recorded session with live Q&A.

Co-located event cross-promo package:

- Sponsor organizes and hosts their own co-located event on November 16 or 17.
- Co-located event will be listed on the conference website, on the official conference schedule and in a shared pre-event promotional email.
- Co-located event must be listed on the KubeCon + CloudNativeCon registration form so that attendees can add the event to their conference registration. Sponsor will be charged a 3.5% credit card processing fee per registrant if a registration fee is required. Sponsor may use their own registration form as a secondary registration option.

30-minute sponsored session:

- Session content must meet CFP requirements and is subject to approval by CNCF. No sales or marketing pitches.
- Pre-recorded session with live Q&A on November 17.
- Session listed on the official conference schedule.
- Session recording posted on CNCF YouTube channel after the event.
- Post-event leads report of attendees who watched the session incl. names, job titles, company names, physical addresses if provided, and email addresses (no phone numbers).

5-Minute Lightning Talk or 50-Minute LF Live Webinar

Platinum sponsors may choose between a 5-minute pre-recorded lightning talk during the event or a 50-minute LF Live webinar before or after the event.

5-minute lightning talk:

- Session content must meet CFP requirements and is subject to approval by CNCF. No sales or marketing pitches.
- Pre-recorded session with speaker Q&A on Slack on November 17.
- Session listed on the official conference schedule.
- Session recording posted on CNCF YouTube channel after the event.
- Leads report of attendees who watched the session incl. names, job titles, company names, physical addresses if provided, and email addresses (no phone numbers).

50-minute LF Live webinar:

- Webinar content is subject to approval by the Linux Foundation. No sales or marketing pitches.
- Webinar dates assigned on a first come first serve basis.
- Webinar listed on LF Events website under “Community Events”.
- Marketing support including promotional email and social media posts.
- Webinar recording posted on the Linux Foundation YouTube channel for up to a year.
- Leads report of both registered and attended participants including names, job titles, company names, and email addresses (no phone numbers) after the webinar has concluded.
Key Benefits

Customized Sponsor Ads
Capture the attendees’ attention with a sponsored advertisement before and after keynotes. Diamond sponsors may provide a video up to 20 seconds long. Platinum sponsors may provide a static banner ad that will be shown on screen for 10 seconds.

Preferred Placement of Announcements in News Package and Daily News Recaps
Add your company’s news releases to the official event news package and daily news recaps distributed to press and analysts. Diamond and platinum sponsor news will be featured at the top of the sponsored news sections. Only news releases issued for/during KubeCon + CloudNativeCon Europe 2020 - Virtual are eligible.

15-Minute Technical Demo
Present a pre-recorded technical demo or tutorial at the sponsor theater and receive a list of attendees who viewed the video including names, job titles, company names, email addresses, and physical work addresses if provided (no phone numbers). Sessions are listed in the conference schedule and recording will be posted to the CNCF YouTube channel after the event. Sales and marketing pitches are not allowed.

Virtual Exhibit Booth
Elevate your presence at the event with a custom-branded virtual booth:
- Showcase product videos and demos
- Share resources such as whitepapers, case studies, or collateral
- Host speaker or expert office hours
- Engage with attendees via live group chat or private 1:1 chat
- Enhance your booth with virtual swag, games, or raffles
- Post job opportunities if your company is hiring
- Link to external websites and social media
- Capture leads and track booth traffic in real-time

Virtual Swag Bag Insert
Share branded collateral, digital giveaways, or special promotions such as free trials, discounts, and coupon codes for attendees to browse and add to their virtual swag bag. Each sponsor may provide one item for optional download.

Post-Event Data and Leads Report
Obtain a comprehensive leads report of all attendees that visited your booth including their names, job titles, company names, email addresses, and physical work addresses (if provided). Phone numbers will not be shared. Leads are accessible in real-time during the event and tracking tools help evaluate which videos, resources, or links were clicked in the booth.
Contact sponsor@cncf.io to secure your sponsorship today. Signed contracts for marketing promotional opportunities must be received by September 30, 2020.

**Sponsored BoF**

Host a 45-minute Birds of a Feather Session (BoF) to discuss a specific topic in a small group setting without a pre-planned agenda. Informal BoFs are ideal to meet other community members with similar interests, to share ideas, or to discuss common pain points. No sales or marketing pitches are allowed. To ensure a collaborative and intimate environment for open conversations, attendance is limited to 50 people and pre-registration is required (free of charge). Attendee contact information will not be shared and sessions will not be recorded. BoFs will be held before and after the regular conference sessions each day. Time slots are assigned on a first come first serve basis. Only confirmed sponsors of KubeCon + CloudNativeCon North America are eligible for this opportunity. Benefits include:

Cross-Promotion of Pre-Approved Community Events UNLIMITED $6,000 EACH
Organizing an event for attendees? The Cloud Native Computing Foundation would be happy to help promote your event to our attendees. Only confirmed sponsors of KubeCon + CloudNativeCon North America are eligible for cross-promotion. Events may not overlap with the conference program on November 18-20. Benefits include:

• Event listed on the conference website.
• Event listed on the official conference schedule.
• Event listed in a shared pre-event promotional email.
• Optional: Event listed on the KubeCon + CloudNativeCon registration form for attendees to add it to their conference registration. A 3.5% credit card processing fee per registrant will be charged if a registration fee is required.

Looking for something different? We are happy to work with you to create a customized MPO package to meet your organization’s individual needs. Contact sponsor@cncf.io to discuss your ideas.
The opportunity to co-locate your event in the same platform as KubeCon + CloudNativeCon North America 2020 can help you effectively reach the cloud native community. We have two set package options listed below. Please select the package that best suits your needs, keeping in mind that we will not be able to accommodate package changes at a later date.

Kindly note co-located event packages are solely available to level sponsors of KubeCon + CloudNativeCon North America 2020 - Virtual. Space will be assigned on a first come, first served basis with priority given to Diamond and Platinum sponsors who submit a request by Monday, September 21 at 5:00 PM CT. Contracts for the remaining requests will be sent in the order submissions were received in the space request form. Space will not be reserved beyond the priority deadline; executed contracts will be accepted on a first-come, first-served basis until sold out.

NOTE: All contracts must be fully executed and returned by the deadline stipulated below. Late requests/contracts will not be accepted.

Contracting deadline for KubeCon + CloudNativeCon North America 2020 - Virtual is Wednesday, September 30 by 11:59 PM PT.

KubeCon + CloudNativeCon Europe 2019 built on the success of past CNCF events with record-breaking registrations, attendance, sponsorships, as well as co-located events. The event had 7,700 registrations, an 84% increase over the previous year’s event in Copenhagen. KubeCon + CloudNativeCon Europe 2019 had only 2% no-shows. This is significantly lower than the average for developer-centric technology events. Of the registrants, 74% were first-time KubeCon + CloudNativeCon attendees and 13% were new to open source.

Feedback from attendees was strongly positive, with an overall average rating of 4.26 on a scale of 1 to 5 (85.2%). The top two reasons respondents cited for attending KubeCon + CloudNativeCon were to learn (72.4%) and to network (18.6%). Of those surveyed, all would highly recommend the event to a colleague or friend.

KubeCon + CloudNativeCon North America 2019 Highlights
November 18 -21, 2019 | San Diego, California

KubeCon + CloudNativeCon North America 2019 was the Cloud Native Computing Foundation’s (CNCF) largest event to date with record-breaking registrations, attendance, sponsorships, and co-located events. The conference had 11,891 registrations, a 48.6% increase over the previous year’s event in Seattle. Of all attendees, 35% indicated being a part of an end user organization, an 11% increase from those in attendance at KubeCon + CloudNativeCon Europe 2019.

Of this year’s registrants, 65% were first-time KubeCon + CloudNativeCon attendees.
