# THE LINUX KERNEL MAINTAINER SUMMIT

September 29, 2021 | Dublin, Ireland

The Linux Kernel Maintainer Summit brings together the world's leading kernel developers to discuss the state of the existing kernel and plan the next development cycle.

The Linux Kernel Maintainer Summit, an invitation-only gathering of Linus Torvalds and 40 of the world's leading kernel developers features in-depth discussions and decision making on the Linux kernel.

Sponsoring The Linux Kernel Maintainer Summit gets you an invitation to this exclusive gathering, and a seat at the table to be a part of these crucial decisions.
