KubeCon | CloudNativeCon
Europe 2021
Virtual

GET STARTED

- All event participants must abide by our **Code of Conduct.**
- The event platform opens to attendees starting on Monday, May 3 at 10:00 CEST. Take advantage of this **early access** to become familiar with the platform, update your profile, and set your time zone.
- The event is held on Central European Summer Time (CEST) and all times listed in the platform and on **Sched** will default to CEST.

ACCESS THE EVENT

- You must be **registered** to attend KubeCon + CloudNativeCon Europe 2021 - Virtual
- You will need your **confirmation number** (found in your registration confirmation email) and the **same email address** you used to register for the event.
- **Run a system check** to ensure your computer is configured properly for the virtual event platform.
- If you encounter any issues, please refer to additional **computer tips**.

UPDATE YOUR PROFILE

Within the platform, click on the profile picture/icon from the top navigation bar to access the following:

- Update your profile/settings + add a photo
- Change your time zone (all times listed default to CEST)

EVENT SUPPORT

Event staff will be monitoring the **#1-kubecon-eventhelpdesk** channel in **Slack** on:

Monday, May 3 | 9:00 – 17:00 CEST

Tuesday, May 4 | 9:00 – 18:00 CEST

Wednesday, May 5 | 9:00 – 18:00 CEST

Thursday, May 6 | 9:00 – 18:00 CEST

Friday, May 7 | 9:00 – 16:00 CEST

We will answer any questions you may have about the Slack workspace or the event in general. Outside of these hours, we'll answer any questions as soon as we get online. If you need to email us, feel free to send **events@cncf.io**!

TECH SUPPORT

For technical support in the platform, head to Tech Support located on the left side navigation. A representative will be standing by to help.

How Cloud Native Tech Helped Peloton Ride to Exponential Growth - Jim Haughwout, Vice President of Platform, Peloton
10:35 - 10:50 Europe/Paris | 2:35 AM - 2:50 AM MDT
Keynote Sessions
Any (No experience required)

10:50 Europe/Paris

All sponsor-hosted co-located events as well as Cloud Native Rust Day, Magma Day, and PromCon Online are held on external platforms. Follow the links here to be redirected.

The remaining events take place in MeetingPlay.

All co-located events require pre-registration and an additional fee may apply.

Keynotes begin at 10:00 CEST, May 5 - 7!

Breakout sessions, including 101 and maintainer track sessions can be found under Sessions. Plan your daily schedule by adding sessions to My Sched or by "starring" sessions in the event platform.
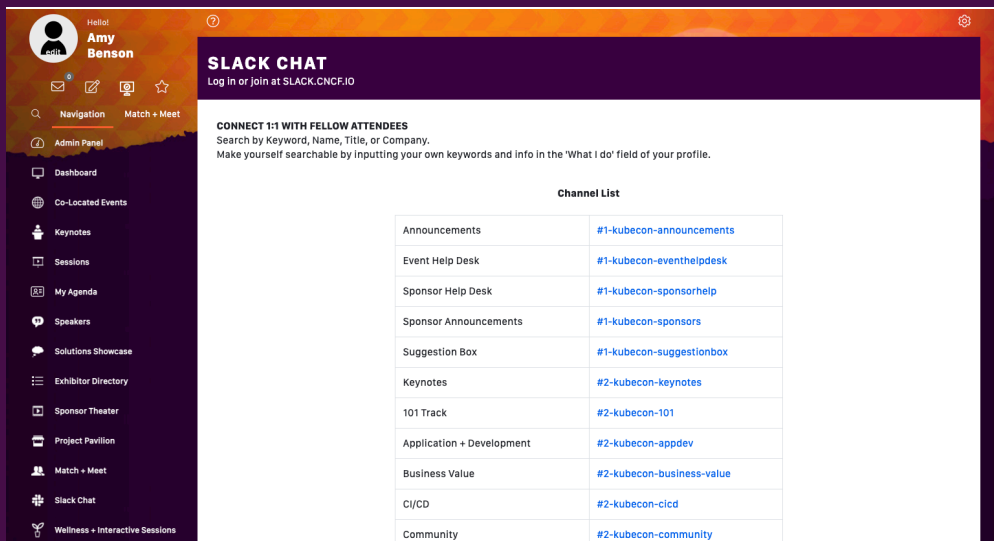

Captioning is available for keynotes and sessions.

Description
The Cloud Native Computing Foundation (CNCF) hosts critical components of the global technology infrastructure. CNCF brings together the world's top developers, end users, and vendors and runs the largest open source developer conferences. CNCF is part of the nonprofit Linux Foundation. CNCF serves as the vendor-neutral home for many of the fastest-growing open source projects, including Kubernetes, Prometheus, and Envoy.
