Open Networking & Edge Summit is the industry’s premier open networking and edge computing event enabling collaborative development and innovation across enterprises, service providers/telcos and cloud providers to shape the future of networking and edge computing.

Open Networking & Edge Summit is the premier event for:

- Open collaborative community innovation & development across enterprises, service providers/telcos and cloud providers.
- Targeted Discussions on Edge/IoT Frameworks and Blueprints across Manufacturing, Retail, Oil and Gas, Transportation, Telco Edge cloud among others key areas.

“From my perspective, The Linux Foundation is doing a phenomenal job in fostering collaboration, and is creating tangible value and harmonizing the entire open source networking process.”

-WILL TOWNSEND, SENIOR ANALYST, MOOR INSIGHTS & STRATEGY

This event is currently being planned as a hybrid event.

Over 1000 people gather annually for this event.
Sponsoring this event puts your company, products and technologies directly in front of key decision makers and business and technical leaders across a multitude of industry verticals.

Open Networking & Edge Summit 2021 is a critical forum for companies to strengthen their brand, establish thought leadership, connect with both end-user customers and partners, showcase innovative products and drive transformation across networking and edge computing.

Open Networking & Edge Summit 2021 Sponsor Benefits:

Gain valuable thought leadership and be front and center in the conversations and decisions driving enormous changes across networking and edge computing through your sponsorship.

Reach potential partners and customers, recruit top talent and create positive brand awareness across the community.

Showcase products, technologies and services to industry leaders, gain critical input and feedback, and strengthen valuable relationships with telecoms, cloud providers and end users across the globe.

“The Linux Open Networking & Edge Summit opened my eyes to the development of distributed edge systems and latest developments in the cloud native space. I was able to build great connections from here.”

“Amazing three days at Open Networking Summit NA ‘19 in San Jose hosted by The Linux Foundation. Keynote sessions, tutorials, tech showcase, breakout sessions, and panel interviews all were just outstanding. This was my first time attending ONS, where you get a chance to network not only with great speakers and leaders but also to know their contributions towards open source.”
- Jay Shah
