“LINUXCON ATTENDEES ARE TECHNICAL AND SAVVY. WE HAD MANY IN-DEPTH TECHNICAL CONVERSATIONS ABOUT REDIS USAGE. YOU JUST DON’T GET THAT KIND OF ENGAGEMENT VERY OFTEN.”

*Demographics are from the Open Source Summit 2021.*
Diversity & Inclusion

We want to help make the open source community a more diverse and inclusive community, and feel that events are one of the ways to help further that goal. Thus creating the diversity & inclusivity we want to see in the community is paramount to a successful Open Source Summit, including on stage and in the audience.

In 2021

- 37% of Keynote Speakers were women
- 21% were people of color
- 33% of PC members identified as women or non-binary, and
- 26% as people of color
- An estimated 31% of conference speakers were people of color
- 23%* of attendees identified as women and non-binary
- 30% of conference speakers identified as women or non-binary
- 15%* of attendees identified as a person of color

*I am thrilled to see the diversity and inclusion initiatives!* 

*The importance of diversity and inclusion were evident in words and practice. Well done!* 

*These are optional questions on our registration form that also include ‘prefer not to answer’ as an option, or can be skipped entirely, thus these numbers may be higher than reflected here.*

On-Site Health + Safety

The health and safety of all event participants is of the utmost importance to us. Again this year, we will have health + safety protocols in place at events to best ensure to safety and well being of our attendees, including vaccine requirements and mask mandates. Please visit our website for the most up-to-date information on the protocols for this event.

"I really enjoyed being part of such an excellent event. This was without a doubt an extremely enriching experience. Thank you." 

"OSS gets your creative juices flowing. It helps provide clarity on what’s important and how to achieve it." 

"If you want to learn, OSS is the place to be. The presentations absolutely added to my knowledge base." 

"Open Source Summit & ELC is a great event that enables me to learn and expand my networking with other open source enthusiasts around the world." 

"LinuxCon provides a unique opportunity to learn about a range of OSS projects/technologies, meet with developers and vendors, make important contacts, and have fun at the social events. I highly recommend LinuxCon (and other LF events) for anyone wanting to expand their understanding of the people, culture, and machinery behind Linux and OSS." 

"OSS is amazing. So many people gathered with a high technical level - all aiming to learn and network. I encourage you to attend the next time, the experience was incredible." 

"The best inclusive conference of the year. Talks, people, sponsors and projects are just amazing." 

"A great event to connect with smart people who share a passion for open source!" 

"The best open source event." 

"I managed to attend every edition of the Embedded Linux Conference since the beginning. I always get back from the conference with a huuuuge list of new ideas to explore. This conference is a great way to stay up to date with the developments in open-source projects that matter in embedded, and to meet the
