Submission Details

Submission Name*

If your talk is selected, the Submission Title you choose will be the title shown in the conference schedule, often what attendees use as a starting point to determine if they will be interested in the talk. Choose your title carefully - make sure that it accurately describes what your talk will cover.

_____
_____
_____

Submission Description*

In your submission please provide (in three separate paragraphs) • **A short summary of your project work.** This is the description that will be posted on the public showcase description page if you are selected to present, so be sure to spell check, use complete sentences (and not just bullet points), and write in the third person (use your name instead of "I"). • **A brief overview of your experience working with your mentor and project community.** • A short summary of the skills and technology you learned while working on your project.
