COVID-19 & 2022 Events:
Many of our 2022 events are being planned as in person. Given the fluid COVID-19 situation, this may change, and we may need to once again pivot to virtual events.

In the cases where this happens:
• We will make the decision and notify all participants as early as possible.
• Sponsors will, at that time, be presented with the new virtual event sponsorship pricing and benefits, and will have 14 days to choose whether to transfer their sponsorship to the virtual format, or receive a full refund.
• For any event that takes place in person, we will take all necessary precautions to ensure the safety of those in attendance.

Sponsorship of Linux Foundation events offers a multitude of benefits:

- Increase brand awareness & recognition
- Showcase thought leadership
- Recruit and acquire top talent
- Generate sales leads and
- Leverage highly targeted marketing
- Take advantage of media exposure & PR
- Display latest products, services
- Create new partnerships
- Obtain and learn valuable mindshare from developers, technologists and business leaders
- Demonstrate support for the important work of the open source community
Open source communities are nearly always virtual and distributed, so when they get together face to face they can make quick progress on issues big and small. In this way, events help maintain the vibrancy of global open source communities and ensure their long-term sustainability.

Open source is ubiquitous in computing—nearly all leading organizations use it to power their work. To deliver the most innovative products and services to their users and customers, companies must learn directly from the technologists who steer the most widely used and influential projects.

Linux Foundation Events are the meeting place of choice for open source maintainers, developers, architects, infrastructure managers and sysadmins, as well as technologists leading open source program offices, DevRel teams and other critical leadership functions. They are:

- The best place to quickly gain visibility within the open source community and to advance open source development work by forming connections with the people evaluating and creating the next generation of technology.
- A forum to identify software trends early to inform future technology investments.
- The ripest recruiting ground in today's technology landscape.
- The ideal venue to showcase technologies and services to influential open source professionals, media, and analysts around the globe.

The Linux Foundation brings together companies and individual contributors to build the greatest shared technology in history. We provide the events, training, certification, open source best practices and ecosystem development necessary to build, scale, and sustain critical open source projects and communities. As the home of over 400 open source projects driving critical technologies, there is no organization better positioned to gather the open source community for important face to face interaction to drive innovation across open source. And, unlike for-profit event management firms, any money generated by our events is channeled back into supporting open source communities to support their growth.

Contact us today for more information on sponsoring at sponsorships@linuxfoundation.org.

Linux Storage, Filesystem, Memory Management & BPF Summit gathers the foremost development and research experts and kernel subsystem maintainers...

to map out and implement improvements to the Linux filesystem, storage and memory management subsystems that will find their way into the mainline kernel and Linux distributions in the next 24-48 months.

This three-day event, underwritten and managed by The Linux Foundation, is invitation only and employs a nomination process to determine the 85 members of the community who will attend each year.

Sponsoring this event not only showcases your company’s support of those developers and researchers at the forefront of important innovations in these spaces; it also offers a coveted seat at the table for a member of your organization to affect change at the ground level.

About Open Source Summit
June 21-24, 2022 | Austin, TX

Join us at the premier event for open source developers, technologists and community leaders to collaborate, share information, solve problems and gain knowledge, furthering open source innovation and ensuring a sustainable open source ecosystem. It is THE gathering place for open source code and community contributors.

OPEN SOURCE SUMMIT IS A CONFERENCE UMBRELLA, COMPOSED OF A COLLECTION OF EVENTS COVERING THE MOST IMPORTANT TECHNOLOGIES, TOPICS AND ISSUES AFFECTING OPEN SOURCE TODAY.

Events Under the OS Summit North America 2022 Conference Umbrella include:

- LINUXCON
- EMBEDDED LINUX CONFERENCE
- CLOUDOPEN
- CONTAINERCON
- SUPPLYCHAIN SECURITYCON
- GLOBAL SECURITY VULNERABILITY SUMMIT
- CRITICAL SOFTWARE SUMMIT
- COMMUNITY LEADERSHIP CONFERENCE
- EMERGING OS FORUM
- EMBEDDED IOT SUMMIT
- DIVERSITY EMPOWERMENT SUMMIT
- OPEN AI + DATA FORUM
- OPEN SOURCE ON-RAMP

View Open Source Summit conference-wide leveled sponsorships on Page 8. View sponsorships specific to each of these ‘Micro’ Conferences on Page 14.

The Linux Foundation reserves the right to increase/decrease the number of available sponsorships and update deliverables based on venue restrictions. Exact plans subject to change in 2022 due to COVID.
Who Attends Open Source Summit:

Developers
Systems, Embedded, Applications, Kernel & Operating Systems

Operations
Architects, SRE, System Administrators and DevOps

Community & Leadership
Technical Managers, Community Managers, Executive Leaders, Legal & Compliance, OSPO Teams

Academic/Media/Other
Professors, Students, Media, Analysts, Product, Biz Dev, Marketing

Why Attend Open Source Summit?

Thousands of attendees attend Open Source Summit North America each year to:

• Meet face-to-face for problem-solving, discussions and collaboration
• Learn about the latest trends in open source and open technologies
• Access leading experts to learn how to navigate the complex open source environment
• Find out how others have used open source projects to gain efficiencies
• Gain a competitive advantage by learning about the latest in innovative open solutions
• Find out what industry-leading companies and projects are doing in the future, and where technologies are headed
• Explore career opportunities with the world's leading technology companies

2021 Attendee Survey Results

• 98% found the conference content and sessions to be informative and useful
• 96% would recommend attending the event to a friend or colleague
• 95% felt that participating in the event was a valuable use of their time
• 88% said they are likely to join the event in-person in the future

Quick Facts

• Anticipated 2022 Attendance: 2,000 In-Person Attendees & 2,000 Virtual Attendees
• Open Source Summit North America 2021 was held as a hybrid event, gathering 1,900+ attendees from 760 organizations across 68 countries. Our last fully in-person event in 2019 gathered more than 1800 attendees in-person from nearly 900 organizations in 48 countries around the globe.
• Highest sponsor booth leads generated in 2021 - 116 with an average of 43.

The Linux Foundation reserves the right to increase/decrease the number of available sponsorships and update deliverables based on venue restrictions. Exact plans subject to change in 2022 due to COVID.

EVENT SUMMARY
The Open Source in Finance Forum is a conference for experts across financial services, technology and open source to deepen collaboration and drive innovation across the industry in order to deliver better code faster. Financial services firms make extensive use of open source, and are now starting to take full advantage of this incredible resource. By becoming strategic contributors to open source projects, companies decrease development costs, improve security, attract developers, and innovate faster. This event will showcase recent developments and the direction of open source in financial services; provide practical knowledge and guidance on best practices, tools and technologies; explore how to build a successful community; and provide unparalleled opportunities to network with the executives and individuals driving open source in financial services.

2022 EVENT TOPICS

OSS Projects & Standards
• Including opportunities in data and data management, cloud, open standards, regulation, desktop interoperability and more.

Secure Open Source
• Secure and Collaborative Innovation using Tooling and Processes for Identifying Vulnerabilities
• How to Build a Robust Community around Software Projects to Maximize Eyeballs on Issues, as well as Solutions

Solving Industry Challenges
• Using OSS to Deliver Business and/or Tech Value to Your Organization & Consumer
• Open Source Collaboration to Tackle Pervasive Challenges or New Opportunities;
• Application Interoperability including Regulatory Interpretation and Compliance, Open Data, Leveraging Industry Standards like ISDA CDM

Delivering Business and/or Tech Value
• Specific Examples of How OSS has Delivered Business and/or Tech Value to Your Organization & Consumers in areas including Operations, Interoperability and Commercial OSS
• Leveraging Commercial Open Source; OSS ROI and Speed to Market (with Newest Tools)

Developing Open Source Maturity in an Organization
• Developing and Delivering Open Source Tooling, Training & Best Practices
• Addressing Open Source Legal, Compliance, and Policy Concerns
• Leveraging OSS to Attract and Retain Talent
• Upskilling and Becoming More Employable for Contributors
• The Journey through Open Source Readiness for Financial Institutions
• Innersource

Building Successful & Sustainable OSS Communities
• Tools, Advice and Approaches for Creating Diverse and Equitable (DEI) Communities
• Building and Sustaining OSS Communities in a Highly Regulated Industry
• Attracting and Rewarding Contributors

Hot Topics for OSS in Finance
• ESG, CBDC, Blockchain, NFTs, AI, Machine Learning, Automation, Banking in the Cloud, Credit, Identity Management; Governments and OS

### Speaking Opportunity:
All sponsor content must be approved by Program Committee and LF/FINOS prior to the event. Speaking slots based on availability.

### Custom Questions in Post Event Attendee Survey:
Opportunity to add question of your choice (must be approved by LF/FINOS), and follow up reporting with data results.

### Social Media Re-Share:
The Linux Foundation Twitter account will retweet 1 post of your choosing. Timing determined by The Linux Foundation.

### Recognition in Pre-Conference Email Marketing:
Includes link to your URL.

### Recognition During Opening Keynote Session:
Sponsor Recognition by Name.

### Access to Event Press/Analyst List:
Contact List shared one week prior to event for your own outreach.

### Exhibit Table*:
Includes table with chairs and 1 tabletop sign with your logo.

### Lead Retrieval Scanners*:
Live scans, real time reporting and ability to take notes on captured leads.

### Social Media Promotion of Sponsorship:
From The Linux Foundation and FINOS (Twitter, FB and LinkedIn). Sponsor can provide custom content (must be approved by The Linux Foundation).

### Conference Attendee Passes:
Full access passes to the entire conference for your staff or customers.

### 20% Discount on Additional Conference Passes:
For use by your customers, partners or colleagues.

### Recognition on Event Signage:
Prominent logo display on conference signage.

### Keynote Stage Branding:
Logo prominently displayed on stage screens.

### Post-Event Data Report:
Provides event demographics and additional details on event performance.

### Recognition on Event Website:
Prominent logo display on all event web pages. Includes link to your URL.

### Collateral Distribution*:
Laid out in a prominent location near registration.

About Open Source Summit
August 23 & 24, 2022 | Virtual

Open Source Summit is coming to Latin America! We are excited to bring the premier event for open source developers, technologists and community leaders direct to the Latin America audience, providing them the opportunity to collaborate, share information, solve problems and gain knowledge with other Latin America community members as well as those from across the globe, furthering open source innovation and ensuring a sustainable open source ecosystem. It is **THE gathering place for open source code and community contributors in Latin America.**

OPEN SOURCE SUMMIT IS A CONFERENCE UMBRELLA, COMPOSED OF A COLLECTION OF EVENTS COVERING THE MOST IMPORTANT TECHNOLOGIES, TOPICS AND ISSUES AFFECTING OPEN SOURCE TODAY.

Events Under the OS Summit Latin America 2022 Conference Umbrella include:

- LINUXCON
- CLOUDOPEN
- CONTAINERCON
- COMMUNITY LEADERSHIP CONFERENCE
- EMERGING OS FORUM
- EMBEDDED IOT SUMMIT
- DIVERSITY EMPOWERMENT SUMMIT
- OPEN AI + DATA FORUM
- OPEN SOURCE ON-RAMP

The Linux Foundation reserves the right to increase/decrease the number of available sponsorships and update deliverables based on venue restrictions. Exact plans subject to change in 2022 due to COVID.
Who Attends Open Source Summit:

Developers
Systems, Embedded, Applications, Kernel & Operating Systems

Operations
Architects, SRE, System Administrators and DevOps

Community & Leadership
Technical Managers, Community Managers, Executive Leaders, Legal & Compliance, OSPO Teams

Academic/Media/Other
Professors, Students, Media, Analysts, Product, Biz Dev, Marketing

Why Attend Open Source Summit?

Thousands of attendees attend Open Source Summit events each year to:

• Meet for problem-solving, discussions and collaboration
• Learn about the latest trends in open source and open technologies
• Access leading experts to learn how to navigate the complex open source environment
• Find out how others have used open source projects to gain efficiencies
• Gain a competitive advantage by learning about the latest in innovative open solutions
• Find out what industry-leading companies and projects are doing in the future, and where technologies are headed
• Explore career opportunities with the world’s leading technology companies

2021 Attendee Survey Results*

• 98% found the conference content and sessions to be informative and useful
• 96% would recommend attending the event to a friend or colleague
• 95% felt that participating in the event was a valuable use of their time
• 88% said they are likely to join the event in-person in the future

Quick Facts

• Anticipated 2022 Attendance: 3,000 Virtual Attendees
• At the all-virtual Open Source Summit North America 2020, 3,026 attendees visited the sponsor showcase to learn about the latest projects and products and interact with other community members. Sponsors collected an average of 407 badge scans, with one sponsor collecting 2,117 individual scans.
• Talks will be presented in Portuguese, Spanish and English - and all will be translated - in order to best serve the Latin America audience.

*Note these are survey results from Open Source Summit North America 2021

September 12-14, 2022 | Dublin, Ireland

KVM Forum is an annual event that presents a rare opportunity for developers and users to connect, discuss the state of Linux virtualization technology, and plan for the challenges ahead.

KVM Forum is a highly technical conference, bringing together the developers who drive KVM development and the users who depend on KVM as part of their offerings, or to power their data centers and clouds. We invite you to be part of this important event.

The agenda will include sessions on the state of the KVM virtualization stack, planning for the future, and many opportunities for attendees to collaborate. After more than nine years in the mainline kernel, KVM continues to be a critical part of the FOSS cloud infrastructure. Come join us in continuing to improve the KVM ecosystem.

Who Attends?

350+ C-Level, Principal, Director, and Technical Leads from prominent organizations, along with Architects, Engineers and Programmers gather annually.

- 2021 Attendees came from companies including: Alibaba, Amazon, AMD, Apple, ARM, Cisco, Citrix, Dell, Freescale, Fujitsu, Google, HP, Huawei, IBM, Igalia, Intel, Linaro, NEC, Odin, Oracle, Red Hat, Samsung, Siemens AG, SUSE, Xilinx and many more.

Benefits of Sponsorship:

- Connect with upstream contributors and maintainers from all over the world.
- Learn about the latest features in libvirt, QEMU, KVM and other kernel components related to KVM.
- Learn what other companies are doing with KVM technology.
- Collaborate with engineering managers from other companies.
- Discuss strategic partnerships with technical product managers from other companies.

The Linux Foundation reserves the right to increase/decrease the number of available sponsorships and update deliverables based on venue restrictions. Exact plans subject to change in 2022 due to COVID.

September 12 - 14, 2022 | Hybrid Event | Dublin, Ireland

The Linux Plumbers Conference (LPC) is a developer conference for the open source community.

LPC brings together the top developers working on the “plumbing” of Linux — kernel subsystems, core libraries, windowing systems, etc. — and gives them three days to work together on core design problems. The conference is divided into several working sessions focusing on different “plumbing” topics, as well as a general paper track.

LPC launched in 2008 at the behest of the community and continues to provide a space where developers working in subsystems can come together to solve problems real-time. 500 developers gather annually for this event; the conference is limited to this number of people for maximum collaboration opportunities.

Benefits of Sponsorship:

- Recruit and acquire top talent
- Increase brand awareness & recognition
- Generate new partnerships, alliances & customers
- Showcase products, services & technologies

Bulk purchase of tickets from the general attendee pool (which is capped and not possible if registration is closed to general attendees) is an additional option available to certain sponsor levels of Linux Plumbers Conference. This lets sponsors purchase an additional number of tickets with a purchase order if the conference has space available.

The maximum number of additional passes available for purchase corresponds to the sponsoring level.

- Diamond: May purchase up to 15 additional passes
- Platinum: May purchase up to 10 additional passes
- Gold: May purchase up to 5 additional passes
- Silver: No bulk purchase at this level

All bulk purchases are at the regular registration rate and need to be completed with a single PO. The PO must be paid in full before the registration code will be provided.

If you are interested in purchasing bulk registration passes in addition to your sponsorship, please reach out to Courtenay Pope (c pope@linuxfoundation.org).

Contact us at sponsorships@linuxfoundation.org to secure your sponsorship, request additional details about this event or discuss additional and/or custom marketing options.

About Open Source Summit
September 13-16, 2022 | Dublin, IE

Join us at the premier event for open source developers, technologists and community leaders to collaborate, share information, solve problems and gain knowledge, furthering open source innovation and ensuring a sustainable open source ecosystem. It is **THE gathering place for open source code and community contributors.**

**OPEN SOURCE SUMMIT IS A CONFERENCE UMBRELLA, COMPOSED OF A COLLECTION OF EVENTS COVERING THE MOST IMPORTANT TECHNOLOGIES, TOPICS AND ISSUES AFFECTING OPEN SOURCE TODAY.**

Events Under the OS Summit Europe 2022 Conference Umbrella include:

- LinuxCon
- Embedded Linux Conference
- CloudOpen
- ContainerCon
- OSPoCon
- Critical Software Summit
- Community Leadership Conference
- Emerging OS Forum
- Embedded IoT Summit
- SupplyChain SecurityCon
- Open AI + Data Forum
- Open Source ON-RAMP
- Diversity Empowerment Summit
Who Attends Open Source Summit:

Developers
Systems, Embedded, Applications, Kernel & Operating Systems

Operations
Architects, SRE, System Administrators and DevOps

Community & Leadership
Technical Managers, Community Managers, Executive Leaders, Legal & Compliance, OSPO Teams

Academic/Media/Other
Professors, Students, Media, Analysts, Product, Biz Dev, Marketing

Why Attend Open Source Summit?

Thousands of attendees attend Open Source Summit Europe each year to:

- Meet face-to-face for problem-solving, discussions and collaboration
- Learn about the latest trends in open source and open technologies
- Access leading experts to learn how to navigate the complex open source environment
- Find out how others have used open source projects to gain efficiencies

- Gain a competitive advantage by learning about the latest in innovative open solutions
- Find out what industry-leading companies and projects are doing in the future, and where technologies are headed
- Explore career opportunities with the world’s leading technology companies

2021 Attendee Survey Results

- 98% found the conference content and sessions to be informative and useful
- 96% would recommend attending the event to a friend or colleague
- 95% felt that participating in the event was a valuable use of their time
- 88% said they are likely to join the event in-person in the future

Quick Facts

- Anticipated 2022 Attendance: 2,000 In-Person Attendees & 2,000 Virtual Attendees
- Open Source Summit 2021 was held as a hybrid event, gathering 1,900+ attendees from 760 organizations across 68 countries. Our last fully in-person event in 2019 gathered more than 1,800 attendees in-person from nearly 900 organizations in 48 countries around the globe.
- Highest sponsor booth leads generated in 2021 - 116 with an average of 43.
- Start-ups may secure a Bronze Sponsorship for US$4,000 provided they: (1) Have been in business less than 3 years; (2) Have less than $5M in annual revenue; and (3) Have less than 30 employees at signing of contract.

The Linux Foundation reserves the right to increase/decrease the number of available sponsorships and update deliverables based on venue restrictions. Exact plans subject to change in 2022 due to COVID.

November 8-10, 2022 | Lake Tahoe, CA

Where industry leaders convene to drive digital transformation with open source technologies and learn how to collaboratively manage the largest shared technology investment of our time.

Open source is ubiquitous in computing—nearly all leading organizations use it to power their work. To deliver innovative products and services to their users and customers, companies must learn directly from the senior technologists and thought leaders who steer the most widely used and influential projects.

The Linux Foundation Member Summit (formerly Open Source Leadership Summit) is the annual gathering for Linux Foundation member organizations.

The event fosters collaboration, innovation, and partnerships among the leading projects and organizations working to drive digital transformation with open source technologies. It is a must-attend for business and technical leaders looking to advance open source strategy, implementation and investment in their organizations and learn how to collaboratively manage the largest shared technology investment of our time.

For sponsors, it is an excellent opportunity to gain access to the event and the attendees for strategic discussions and collaboration.

"THE ONLY EVENT WHERE I CAN MEET ALL OF THE KEY LEADERS ACROSS THE OPEN SOURCE CLOUD COMPUTING PROJECTS IN PERSON. THE CHANCE TO TALK IN PERSON, SHARE ASPIRATIONS AND WRESTLE WITH NEW IDEAS THIS YEAR HAVE ALREADY RESULTED IN COLLABORATION...THE INSTITUTIONAL KNOWLEDGE ABOUT OPEN SOURCE REPRESENTED BY THE PARTICIPANTS IS INSPIRING. THIS IS AN EVENT THAT CAN HELP US BUILD A BETTER SOFTWARE INDUSTRY."

- Sam Ramji, Chief Strategy Officer, DataStax

About Open Source Summit
December 5-6, 2022 | Yokohama, Japan

Join us at the premier event for open source developers, technologists and community leaders to collaborate, share information, solve problems and gain knowledge, furthering open source innovation and ensuring a sustainable open source ecosystem. It is THE gathering place for open source code and community contributors.

OPEN SOURCE SUMMIT IS A CONFERENCE UMBRELLA, COMPOSED OF A COLLECTION OF EVENTS COVERING THE MOST IMPORTANT TECHNOLOGIES, TOPICS AND ISSUES AFFECTING OPEN SOURCE TODAY.

Events Under the OS Summit Japan 2022 Conference Umbrella include:
Who Attends Open Source Summit:

Developers
Systems, Embedded, Applications, Kernel & Operating Systems

Community & Leadership
Technical Managers, Community Managers, Executive Leaders, Legal & Compliance, OSPO Teams

Operations
Architects, SRE, System Administrators and DevOps

Academic/Media/Other
Professors, Students, Media, Analysts, Product, Biz Dev, Marketing

Why Attend Open Source Summit?

Thousands of attendees attend Open Source Summit Japan each year to:

- Meet face-to-face for problem-solving, discussions and collaboration
- Learn about the latest trends in open source and open technologies
- Access leading experts to learn how to navigate the complex open source environment
- Find out how others have used open source projects to gain efficiencies
- Gain a competitive advantage by learning about the latest in innovative open solutions
- Find out what industry-leading companies and projects are doing in the future, and where technologies are headed
- Explore career opportunities with the world's leading technology companies

2021 Attendee Survey Results

- 98% found the conference content and sessions to be informative and useful
- 96% would recommend attending the event to a friend or colleague
- 95% felt that participating in the event was a valuable use of their time
- 88% said they are likely to join the event in-person in the future

Quick Facts

- Anticipated 2022 Attendance: 2,000 In-Person Attendees & 2,000 Virtual Attendees
- Our 2019 in-person Open Source Summit Japan 2019 gathered 1000+ attendees from 284 organizations across 40 countries. Our 2021 virtual event gathered more than 430 attendees virtually from nearly 179 organizations in 30 countries around the globe.
- Highest in-person sponsor booth leads generated in 2019 - 214 with an average of 67 and virtually in 2021 - 66 with an average of 36

The Linux Foundation reserves the right to increase/decrease the number of available sponsorships and update deliverables based on venue restrictions. Exact plans subject to change in 2022 due to COVID.

- **Virtual Conference Attendee Passes:** Full access virtual passes to the entire conference for your staff or customers.
- **20% Discount on Additional Conference Passes:** For use by your customers, partners or colleagues.
- **Post-Event Data Report:** Provides event demographics and additional details on event performance.

### Sponsorship Cost

| Sponsorship Cost | $50,000 | $35,000 | $22,500 | $15,000 | $8,000 |

**Notes:**
- Start-ups may secure a Bronze Sponsorship for US$4,000 provided they: (1) Have been in business less than 3 years; (2) Have less than $5M in annual revenue; and (3) Have less than 30 employees at signing of contract. **As permitted per COVID-19 safety + social distancing requirements.

The Linux Foundation reserves the right to increase/decrease the number of available sponsorships and update deliverables based on venue restrictions. Exact plans subject to change in 2022 due to COVID.
December 7-8, 2022 | Yokohama, Japan

About Open Compliance Summit

The Open Compliance Summit is an exclusive event for Linux Foundation members and select invitees. The summit provides a neutral environment for participants from different companies and different backgrounds to:

• Discuss and exchange compliance best practices (processes, policies, guidelines, tools, open source governance, etc.).
• Increase awareness on implementing and managing a compliance program, and managing compliance via your supply chain.
• Discuss common compliance challenges and how to address them.
• Increase involvement of participants in The Linux Foundation Open Compliance Program (tools, templates, SPDX, etc.).

This is the ONLY event focused solely on compliance in the world of open source.

Attendance is limited to ensure intimate conversations and ease of networking and collaboration. This summit (like prior) will be held under the Chatham House Rule.

Contact sponsor@zephyrproject.org to secure your sponsorship! | SALES DEADLINE: APRIL 29, 2022
June 23-24 | Austin, TX

Join the PX4 community of developers and supporting companies for a celebration of all things drones and open source. Be part of the conversation driving the future of drone hardware and software development in the drone industry.

We are coming together for two days of keynotes, presentations, tutorials, exhibitions from some of the top companies in our community, and ample networking opportunities throughout the event.

The PX4 Developer Summit is an annual event by the Dronecode Foundation, a vendor-neutral organization hosting open-source and open-standard projects critical to the drone industry.

Dronecode’s flagship event gathers leading technologists from leading open source and robotics communities to further the education and advancement of drone development.

Who Attends?

The API Specifications Conference (ASC) is a place for API practitioners to come together and discuss the evolution of API technology.

ASC includes cutting edge technology keynotes and sessions that chart the future of APIs, in-depth specification and standards discussions. The event is designed to be highly interactive with plenty of discussion time throughout the workshops and sessions.

OpenAPI Specifications, RAML, Blueprint, gRPC, OData, JSON Schema, GraphQL, AsyncAPI and other formats will all be topics at the event, enabling attendees to get familiar with these formats and discuss how to use them in practice.

The event has its origins in the API Strategy and Practice Conference (APIStrat) which ran for many years and became part of the OpenAPI Initiative in 2016. The collaborative spirit and community from APIStrat continue through the ASC event and we look forward to many of the same lively conversations and debates!

API practitioners including API developers, API Operations teams, API Designers and Enterprise Architects will attend ASC 2022. Content at the event will range from beginner introductions to API specifications all the way through best practice and cutting edge specialist topics.

About Hyperledger Global Forum
September 12-14, 2022 | Dublin, Ireland

Hyperledger Global Forum will return to an in-person event in September 2022 in Dublin, Ireland.

Hyperledger Global Forum 2022 will offer the opportunity for users and contributors of Hyperledger projects from across the globe to connect, network and collaborate. A community-focused event, Global Forum provides an opportunity to learn and understand various aspects of the ecosystem including technical roadmaps and milestones of not only Hyperledger specific projects but the latest uses and applications of other related technologies across industries and markets. Social networking for the community to bond, and hacking activities will also be front and center at this annual event. Hyperledger Global Forum will be the premier enterprise blockchain event of 2022.

The open source movement has rapidly become the way code is being developed for today’s smart and agile businesses. Open Mainframe Project is at the forefront of this movement by being the project that supports and launches new open source initiatives that play an integral role in making mainframes modern to meet today’s business needs.

Open Mainframe is the home of more than 22 projects and working groups that help advance training, enterprise, devops and z/OS on a global scale and working closely with those thought leaders in technology adjacent to mainframes.

Open Mainframe Summit brings together all of the different type of mainframers - from students to hobbyists, seasoned professionals to new engineers, developers and educators - to share best practices, discuss hot topics, learn technical insight from the best, and network with like-minded individuals who are passionate about the mainframe industry.

As an Open Mainframe Summit Sponsor, You Are:

Showing your organization’s support for the open source community building the modern mainframe ecosystem and educating the next generation of mainframers.

Enabling the mainframe community to advance development work by providing the space to form connections with those evaluating and creating the open source initiatives for the mainframe.

Leveraging real experience from thought leaders and influencers from across the industry within a professionally organized conference run by a neutral nonprofit, where content is curated by the mainframe community.

**DEADLINE FOR SPONSORSHIP SALES:** AUGUST 5, 2021
O3DCon is THE conference for 3D developers, users & enthusiasts to learn and collaborate on innovations and best practices in:

- 3D development & Open 3D development
- Open Source Licensing
- Interoperability across 3D engines
- The benefits of using Open 3D Engine to revolutionize real-time 3D development across a variety of applications: game development, film & entertainment, metaverse, robotics, AI/ML, augmented reality, digital twin, automotive, healthcare, and more.

As the flagship conference of Open 3D Foundation, O3DCon is focused on helping to grow the community of contributors building an unencumbered, first-class, 3D engine poised to revolutionize real-time 3D development across a variety of applications—from game development, metaverse, digital twin and AI, to automotive, healthcare, robotics and more.

**Sponsor O3DCon 2022 and help shape the future of 3D development and support the work of the 3D development community!**

- Showcase your important role in the rapidly growing 3D & Open 3D development community with the opportunity to educate others about how you’re contributing to and using these technologies and the Open 3D Engine (O3DE)
- Share ideas and best practices, discuss hot topics and demonstrate your leadership across the 3D development ecosystem
- Gain targeted mindshare and highlight how your products and services help advance the 3D development landscape
- Forge valuable connections and network with like-minded individuals

The sponsorship deadline is **September 16**.

Contact [sponsorships@linuxfoundation.org](mailto:sponsorships@linuxfoundation.org) to secure your sponsorship!

Open 3D Foundation (O3DF) Members receive a **3% discount** on all exhibitor packages.
Over 300 3D development contributors are expected to participate in O3DCon this year.

**WHO ATTENDS:**
- 3D developers across industries, including gaming, film & entertainment, the metaverse, robotics, and AI
- Develop an open continuous integration (CI) and build infrastructure to enable reference builds from the community and alleviate issues caused by siloed development.
- C++ & Python developers
- Students and other developers interested in a career in 3D development
- Other contributors and consumers interested in learning more about open 3D development and its ability to revolutionize real-time 3D development across a variety of applications and industries

**WHY THEY ATTEND:**
3D Development is already transforming industries such as gaming, entertainment, the metaverse and robotics, and will transform other industries including AI/ML, healthcare, automotive and much more.

3D development community members and contributors to join to be on the forefront of innovation, and to connect with their community and learn about:
- The latest advancements in 3D development, and how and where to apply them
- Interoperability and portability across 3D engines
- How to use, and contribute to, the Open 3D Engine
- 3D simulation use cases
- Open source licensing best practices
- How to best collaborate with the open 3D community to maximize innovation and advance the state of open 3D development across industries
- How to build a career in 3D development, gaming & other industries impacted by 3D development

Why Sponsor Reactive Summit?

On October 25, 2022, Reactive Summit returns for a one-day hybrid conference experience. Reactive Summit is where application architects and developers go to learn and collaborate on the latest Reactive patterns and projects for building distributed systems using Serverless, Cloud Native Design, Reactive programming, Reactive systems, Reactive Streams, event-sourcing, microservices, and more. Since its inception in 2016, Reactive Summit has generated 1.8 million minutes of online video replay, reinforcing the desire of our cutting-edge community for access to expert insight.

ONE Summit is the only industry event bringing together technical and business decision makers for in-depth, interactive conversations around potential of cutting-edge innovations and the operational support necessary to leverage them.

Newly revamped post-pandemic, ONE Summit’s focus will be on enabling interactive, real-world conversations on the evolution of networking and edge advancements and the relevant reaggregation of these technologies to solve business needs. Inspired by the impact of integration efforts like 5G Super Blueprint, ONE Summit will foster collaborative discussion required to truly scale software for 5G, IoT, the enterprise, and beyond. With sessions geared toward both Communications Service Providers and enterprise verticals requiring advanced networking capabilities through Core, Access, and Edge. Attendees will learn how to leverage open source ecosystems and gain new insights for digital transformation.

ONE Summit:

• Crosses enterprises, government, global service providers and cloud.
• Focuses on open first. In a market now built on open source, this is critical.
• Gathers networking decision makers across both architectural and technical issues and addresses business use case needs.
• Is produced by the leading neutral organizations committed to innovation in networking, edge and other technology areas. Building on the successes of LF Networking and LF Edge, projects, collaboration with O-RAN SC, Magma, CNCF, LF AI & Data will enable attendees to visualize and build their new networking stacks.
• In short, the event enables technical and business collaboration necessary to shape the future of networking and edge computing.

**Based on venue capabilities.**
How Will You Accelerate Your RISC-V Success This Year?

The world again turns its attention to RISC-V this December. What will do with your time on the RISC-V global stage?

Start with a comprehensive presence on The RISC-V Experience exhibit floor. You’ll be alongside the best and brightest of the RISC-V movement, with access to the high-quality attendees of every RISC-V Summit. You’ll also reach the global RISC-V community with your virtual exhibit booth. Post videos, demos, links and files; chat with the online audience; and capture leads and traffic data.

It’s the best of the RISC-V long tail.

Before the Summit, you’re included in our hotly anticipated pre-show news package, and you’ll get an early look at the Summit’s pre-registered press and analyst list. At the Summit we’ll include your logo on all Summit web pages, livestream on our virtual event platform, and onsite sponsor signs; and you’ll get a generous number of free or deeply discounted All-Access Summit Passes to share with team members or your most important customers and prospects.

It’s a recipe for success in this high-growth community.

Upgrade your presence to Gold, Platinum, or Diamond levels and elevate your organization to exclusive events, VIP attendee access, and personal attention from RISC-V International’s respected and highly effective executives.

It’s an outstanding way to maximize your ROI.

Start with speaking appearances in our RISC-V Experience demo theater, in breakout sessions, during our new RISC-V FutureWatch press release slate, and even on our main stage. Share your wisdom, detail your vision and roadmap, announce a major new product, or call the global RISC-V community to action... the stage is yours. At the highest level, gain access for your executives to exclusive, invite-only meetings with the most influential companies, media, analysts, and opinion leaders of the most important technology or industry topics today.

Act now. Quantities for the premium sponsorship tiers are limited.

Contact sponsor@riscv.org.
RISC-V Influncers Breakfast
NEW FOR 2022!
Participate in an exclusive (invitation-only) private gathering of the most influential companies, media, analysts, and opinion leaders on a specific technology or industry topic.

RISC-V FutureWatch NEW FOR 2022!
Don’t miss your opportunity to set the agenda with a 25-minute press conference on Monday, December 12, the day before conference sessions begin. Announce a major new product, launch a significant roadmap, call the global RISC-V community to action. This is the perfect platform. (Content subject to approval by RISC-V)

The Official, Multi-Logo Limited-Edition RISC-V Summit T-Shirt
NEW FOR 2022!
Your single-color logo will be included with 15 other logos on the limited-edition t-shirt we give to every Summit 2022 attendee. Make sure it’s yours. Sorry, no gradient colors.

One Pre- or Post-Summit Email Blast
One (1) exclusive pre- and post-event email

Main Stage Speaking Opportunity
15 minutes on the RISC-V main stage following our featured keynote speakers

Breakout Session Speaking Opportunity
One (1) 20-minute breakout session slot

Logo Included in Opening Keynote Sponsor-Recognition Slide

Sponsorships are not transferrable and sharing sponsorships among multiple companies/entities is not allowed.

*Start-up exhibitors must be RISC-V members, must be in business for less than 3 years, must have less than $1M in revenue, and less than 50 employees.
Automotive Grade Linux (AGL) is a collaborative open source project that is accelerating the development and adoption of a fully open software platform for automotive applications.

AGL Showcase 2023

As an official exhibitor at CES 2023 in Las Vegas, AGL’s booth is located in the Las Vegas Convention Center, West Hall, Booth #3857. The booth will be open to the public from January 5 - 8, 2023. In order to maximize exposure for our members and the broader AGL ecosystem, we would like to invite companies interested in demonstrating an application built on top of the AGL Unified Code Base (UCB) Software Distribution or a hardware solution running core AGL applications to apply for one of our limited demo spaces.

Benefits

- Business development and networking opportunities with the automotive OEM and Tier 1 ecosystem and increased exposure for your products and services.
- Increased exposure to automotive and technology media and major publications.
- Ability to schedule demos or book meetings in the AGL Showcase.
- Inclusion in the AGL CES press release and promotion via AGL social channels.
- Company branding in the AGL Showcase.

How to Apply

Please indicate your interest in participating in the AGL Showcase at CES by filling out the [CFE Form](mailto:events@automotivelinux.org) by September 30, 2022. If you have additional questions, please email events@automotivelinux.org.

We look forward to your company joining AGL at CES 2023!
KubeCon + CloudNativeCon Europe 2022

The Cloud Native Computing Foundation’s flagship conference gathers top technologists from leading open source and cloud native communities in a unique hybrid setting to further the education and advancement of cloud native computing.

5 days
200+ sessions and keynotes
5,000+ participating companies

KubeCon + CloudNativeCon Europe 2022 is being planned as a hybrid event - an in-person event taking place in Valencia, Spain with a virtual component for those that cannot attend onsite. We will take all necessary precautions to ensure the safety of those who attend the event in person.

Sponsorship packages include onsite and virtual benefits to maximize the reach and visibility of each participating organization. All benefits are optional. CNCF reserves the right to make minor adjustments to sponsorship benefits and to increase/decrease the number of available sponsorships.

Given the fluid COVID-19 situation, the hybrid event format may change. In case we need to pivot to a fully virtual event, we will make the decision and notify all participants as early as possible. Sponsors will, at that time, be presented with the new virtual event sponsorship pricing and benefits, and will have 14 days to choose whether to transfer their sponsorship to the virtual format, or receive a full refund.

Who Attends?
Developers, architects and technical leaders, CIOs, CTOs, press and analysts from around the world gather at KubeCon + CloudNativeCon.

LOCATION:
Feria Valencia, Valencia, Spain + Online

EVENT DATES:
May 16 - 17: Pre-Event Programming
May 18 - 20: Main Conference

ESTIMATED NUMBER OF ATTENDEES*:
5,000 Onsite
10,000+ Virtual

*Estimates are based on registration trends from previous events and influenced by many factors, including but not limited to, COVID-19 related travel restrictions as well as health + safety requirements. Estimates may change based on the current situation and updated numbers will be shared with sponsors leading up to the event.

Benefits of Sponsorship

✓ Engage with the industry’s top developers, end users, and vendors – including the world’s largest public cloud and enterprise software companies as well as hundreds of innovative startups.

✓ Inform and educate the cloud native community about your organization’s products, services, open source strategies, and cloud native direction.

✓ Take advantage of a professionally-organized conference run by a neutral nonprofit where content is curated by the community.

✓ Meet with developers and operations experts ranging from startup CTOs to corporate developers to senior technology executives from all over the world.

✓ Associate your brand with one of the fastest-growing technology communities.

✓ Support and engage with the ecosystem and the community that is the engine driving some of the highest velocity open source projects in the industry.

✓ Give back to the open source community. CNCF reinvests profits from our events to directly support CNCF’s hosted projects.

Contact sponsor@cncf.io to secure your sponsorship today.
# Sponsorship Benefits at-a-Glance

Contact sponsor@cncf.io to secure your sponsorship today. Signed contracts must be received by February 25, 2022.

CNCF reserves the right to make minor adjustments to the sponsorship benefits and to increase/decrease the number of available sponsorships.

Diamond sponsors are selected by random lottery drawing. CNCF platinum members, followed by gold members, have priority in the diamond sponsorship lottery.

**Start-up sponsors must be CNCF members, must be in business for less than 3 years, must have less than $1M in revenue and less than 50 employees.**

**End user** sponsorship is available to CNCF end user members and supporters. Primary focus of end user sponsorship is recruiting.
KubeCon + CloudNativeCon Europe 2022

[In-Person] Sponsor-Hosted Co-Located Event Packages - May 16 + 17, 2022

The opportunity to co-locate your event in the same venue as KubeCon + CloudNativeCon Europe 2022 can help you effectively reach the cloud native community. Sponsor-hosted co-located event packages are solely available to level sponsors of KubeCon + CloudNativeCon Europe 2022. We have four set package options listed below. Packages A-C will include access to the meeting room the day prior (either Sunday, May 15 or Monday, May 16) for set up and day-of from 8:00 to 17:00 CEST. Please select the package that best suits your needs, keeping in mind that we will not be able to accommodate package changes at a later date.

All co-located event space requests must be submitted by a) reviewing the Co-Located Best Practices + Event Guide and b) completing the request form on the co-located events page of the event website. Space will be assigned on a first come, first served basis with priority given to Diamond and Platinum sponsors who submit a request within five business days of the request form opening. The remaining requests will be followed in the order submissions were received.

Deadline to submit a co-located event request (Packages A - D): Friday, March 4 at 11:59 PM PT

Proof of full COVID-19 vaccination will be required to host and attend any co-located event in-person. Visit our website for full details.

## ADD-ON OPPORTUNITIES

### Dan Kohn Scholarship Fund $2,500 + UNLIMITED

Dan Kohn Scholarship Fund provides support to women, gender non-confirming individuals, people with dis/abilities, other underrepresented minorities, and those who may not otherwise have the opportunity to attend CNCF events for financial reasons. Diversity and inclusion are important to CNCF, and we aim to remove this obstacle for underrepresented attendee groups. Showcase your organization’s support of this important initiative by sponsoring the diversity scholarship program. Benefits Include:

- Logo on the event website
- Logo on sponsor signage
- Sponsor recognition in scholarship acceptance notifications

### Session Recording $5,000 2 AVAILABLE

Extend your presence long after the live event concludes with the session recording sponsorship. Benefits include:

- Introduction slide on each video will include ‘Sponsored By’ with your logo (recordings will be added to the CNCF YouTube Channel)
- Sponsor recognition in post-event attendee communication
- Logo on the event website

### Live Stream $3,000 1 AVAILABLE

Support our efforts to make conference content accessible to a virtual audience by sponsoring a live stream for all sessions. Benefits include:

- Logo on the event website
- Logo on sponsor signage
- Sponsor recognition in post-event attendee communication
- Sponsor recognition in KubeCon+CloudNativeCon EU sched co-located event description

### Session Captioning $2,500 1 AVAILABLE

Support our efforts to make conference content accessible to everyone by sponsoring captioning for all sessions. Benefits include:

- Logo on the event website
- Logo on sponsor signage
- Sponsor recognition in post-event attendee communication

### Lunch + Breaks Sponsor $3,500 1 AVAILABLE

Provide lunch + breaks to co-located event attendees. Benefits include:

- Lunch + breaks listed on the official event schedule
- Logo on the event website
- Branded signage during lunch + breaks
- Sponsor recognition in post-event attendee communication

### Shared Happy Hour Sponsor $3,000 UNLIMITED

Support a shared co-located event Happy Hour at the close of the day. Attendees will gather to network and make connections. Benefits include:

- Reception listed on the official event schedule
- Logo on the event website
- Logo on Happy Hour signage

CNCF reserves the right to make minor adjustments to the sponsorship benefits and to increase/decrease the number of available sponsorships.

ADD-ON OPPORTUNITIES

**Dan Kohn Scholarship Fund $2,500 + UNLIMITED**

Dan Kohn Scholarship Fund provides support to women, gender non-confirming individuals, people with dis/abilities, other underrepresented minorities, and those who may not otherwise have the opportunity to attend CNCF events for financial reasons. Diversity and inclusion are important to CNCF, and we aim to remove this obstacle for underrepresented attendee groups. Showcase your organization’s support of this important initiative by sponsoring the diversity scholarship program. Benefits include:

- Logo on the event website
- Logo on sponsor signage
- Sponsor recognition in scholarship acceptance notifications

**Session Recording $5,000 2 AVAILABLE**

Extend your presence long after the live event concludes with the session recording sponsorship. Benefits include:

- Introduction slide on each video will include ‘Sponsored By’ with your logo (recordings will be added to the CNCF YouTube Channel)
- Sponsor recognition in post-event attendee communication
- Logo on the event website

**Live Stream $3,000 1 AVAILABLE**

Support our efforts to make conference content accessible to a virtual audience by sponsoring a live stream for all sessions. Benefits include:

- Logo on the event website
- Logo on sponsor signage
- Sponsor recognition in post-event attendee communication
- Sponsor recognition in KubeCon+CloudNativeCon EU sched co-located event description

**Session Captioning $2,500 1 AVAILABLE**

Support our efforts to make conference content accessible to everyone by sponsoring captioning for all sessions. Benefits include:

- Logo on the event website
- Logo on sponsor signage
- Sponsor recognition in post-event attendee communication

**Lunch + Breaks Sponsor $3,500 1 AVAILABLE**

Provide lunch + breaks to co-located event attendees. Benefits include:

- Lunch + breaks listed on the official event schedule
- Logo on the event website
- Branded signage during lunch + breaks
- Sponsor recognition in post-event attendee communication

**Shared Happy Hour Sponsor $3,000 UNLIMITED**

Support a shared co-located event Happy Hour at the close of the day. Attendees will gather to network and make connections. Benefits include:

- Reception listed on the official event schedule
- Logo on the event website
- Logo on Happy Hour signage

CNCF reserves the right to make minor adjustments to the sponsorship benefits and to increase/decrease the number of available sponsorships.
SPONSORSHIP BENEFITS AT-A-GLANCE

This event is being planned in person at the Feria Valencia Convention Center with recorded content available 24-hours post event on YouTube for those that cannot attend onsite. We will take all necessary precautions to ensure the safety of those who attend in person. The event will take place on May 17, 2022. Contact sponsor@cnf.io to secure your sponsorship today. Signed contracts must be received by March 11, 2022, 11:59 PM PDT.

All attendees will be required to adhere to our health and safety protocols. Visit our website for full details.

KubeCon + CloudNativeCon North America 2022

The Cloud Native Computing Foundation’s flagship conference gathers top technologists from leading open source and cloud native communities in a unique hybrid setting to further the education and advancement of cloud native computing.

LOCATION:
Huntington Place, Detroit, Michigan + Online

EVENT DATES:
October 24 - 25: Pre-Event Programming
October 26 - 28: Main Conference

ESTIMATED NUMBER OF ATTENDEES*:
8,000 Onsite
13,000+ Virtual

*Estimates are based on registration trends from previous events and influenced by many factors, including but not limited to, COVID-19 related travel restrictions as well as health + safety requirements. Estimates may change based on the current situation and updated numbers will be shared with sponsors leading up to the event.

Benefits of Sponsorship

✓ Engage with the industry’s top developers, end users, and vendors – including the world’s largest public cloud and enterprise software companies as well as hundreds of innovative startups.
✓ Inform and educate the cloud native community about your organization’s products, services, open source strategies, and cloud native direction.
✓ Take advantage of a professionally-organized conference run by a neutral nonprofit where content is curated by the community.
✓ Meet with developers and operations experts ranging from startup CTOs to corporate developers to senior technology executives from all over the world.
✓ Associate your brand with one of the fastest-growing technology communities.
✓ Support and engage with the ecosystem and the community that is the engine driving some of the highest velocity open source projects in the industry.
✓ Give back to the open source community. CNCF reinvests profits from our events to directly support CNCF's hosted projects.

Who Attends?

Developers, architects and technical leaders, CIOs, CTOs, press and analysts from around the world gather at KubeCon + CloudNativeCon.

Contact sponsor@cncf.io to secure your sponsorship today.

| $195,000 | $120,000 | $80,000 | $28,000 | $8,000 | $8,000 |

CNCF reserves the right to make minor adjustments to the sponsorship benefits and to increase/decrease the number of available sponsorships.

*Diamond sponsors are selected by random lottery drawing. CNCF platinum members, followed by gold members, have priority in the diamond sponsorship lottery.

**Start-up sponsors must be CNCF members, must be in business for less than 3 years, must have less than $1M in revenue and less than 50 employees.

***Available to CNCF end user members and supporters. Primary focus of end user sponsorship is recruiting.
## KubeCon + CloudNativeCon North America 2022

### [In-Person] Sponsor-Hosted Co-Located Event Packages - October 24 + 25, 2022

The opportunity to co-locate your event in the same venue as KubeCon + CloudNativeCon North America 2022 can help you effectively reach the cloud native community. Sponsor-hosted co-located event packages are solely available to level sponsors of KubeCon + CloudNativeCon North America 2022. We have five package options listed below, Packages A - D will include access to the meeting room the day prior (either October 23 (Sunday) or October 24 (Monday) from 6:00 PM - 8:00 PM Eastern) for set up and day-of from 8:00 AM - 5:00 PM Eastern. Please select the package that best suits your needs, keeping in mind that we will not be able to accommodate package changes at a later date.

All co-located event space requests must be submitted by a) reviewing the Co-Located Best Practices + Event Guide and b) completing the request form on the co-located events page of the event website. Space will be assigned on a first come, first served basis with priority given to Diamond and Platinum sponsors who submit a request within five business days of the request form opening. The remaining requests will be followed in the order submissions were received.

**Deadline to submit a co-located event request (Packages A - E): Friday, July 29 at 11:59 PM PT**

*Proof of full COVID-19 vaccination will be required to host and attend any co-located event in-person. [Visit our website](https://example.com) for full details.*

MARKETING PROMOTIONAL OPPORTUNITIES

**Dan Kohn Scholarship Fund $2,500 + UNLIMITED**

CNCF’s scholarship program provides support to women, gender non-confirming individuals, people with dis/abilities, other underrepresented minorities, and those who may not otherwise have the opportunity to attend CNCF events for financial reasons. Diversity and inclusion are important to CNCF and we aim to remove this obstacle for underrepresented attendee groups. Showcase your organization’s support of this important initiative by sponsoring the diversity scholarship program. Benefits Include:

- Logo on the event website
- Logo on sponsor signage
- Sponsor recognition in scholarship acceptance notifications

**Session Recording $4,500 1 AVAILABLE SOLD OUT**

Extend your presence long after the live event concludes with the session recording sponsorship. Benefits include:

- Introduction slide on each video will include ‘Sponsored By’ with your logo (recordings will be added to the CNCF YouTube Channel)
- Sponsor recognition in pre-event attendee communication
- Logo on the event website

**Live Stream $7,500 1 AVAILABLE**

Support our efforts to make conference content accessible to a virtual audience by sponsoring a live stream for all sessions. Benefits include:

- Logo on the event website
- Logo on sponsor signage
- Sponsor recognition in pre-event attendee communication
- Sponsor recognition in KubeCon+CloudNativeCon NA sched co-located event description

**Session Captioning $2,500 1 AVAILABLE**

Support our efforts to make conference content accessible to everyone by sponsoring captioning for all sessions. Benefits include:

- Logo on the event website
- Logo on sponsor signage
- Sponsor recognition in pre-event attendee communication

**Lunch + Breaks Sponsor $3,500 1 AVAILABLE**

Provide lunch + breaks to co-located event attendees. Benefits include:

- Lunch + breaks listed on the official event schedule
- Logo on the event website
- Branded signage during lunch + breaks
- Sponsor recognition in pre-event attendee communication

**Shared-Reception Sponsor $3,000 3 AVAILABLE**

Support a shared co-located event Reception at the close of the day. Attendees will gather to network and make connections. Benefits include:

SPONSORSHIP BENEFITS AT-A-GLANCE

Event Date: **December 7, 2022**  
Location: **InterContinental Yokohama Grand Hotel, Yokohama, Japan**  
Estimated Number of Attendees: **300+**

KubeDay connects international and local experts in global cities with adopters, developers, and practitioners to promote face-to-face collaboration and deliver rich educational experiences. The event series is hosted by CNCF and targeted toward specific geographical regions experiencing community expansion and interest. Engage with the leaders of Kubernetes and other CNCF-hosted projects as we set the direction for the cloud native ecosystem. KubeDay will have both a beginner and an advanced track; about half of the speakers are international experts and half are from the local area.

Join us in Yokohama for our first KubeDay!

- Engage with the industry’s top developers, end users, and vendors.
- Inform and educate the cloud native community about your organization’s products, services, open source strategies, and cloud native direction.
- Associate your brand with one of the fastest-growing technology communities.

Contact [sponsor@cnf.io](mailto:sponsor@cnf.io) to secure your sponsorship today. Signed contracts for level sponsorships must be received by **October 7, 2022**.
