The Linux Foundation Member Summit welcomed 247 open source leaders in person, representing 147 companies and countless LF projects, to drive digital transformation with open source technologies and to discuss how to collaboratively manage the largest shared technology investment of our time. Another 216 attendees registered to watch the keynote session livestream, bringing the total audience to 463.

Executive leaders comprised 37% of those in attendance, including 47 C-Level executives and more than 166 vice presidents, general managers, and directors. Architects, Academics, Developers, DevOps, and Sys Admins represented 20% of attendees.

Linkedin
From Oct 30 - Nov 13, the LF LinkedIn page has received 3.1K unique visitors and 2.7K new followers. Posts during this timeframe garnered 390K impressions.
What Attendees Are Saying:

Don’t take our word for it. See what attendees had to say about The Linux Foundation Member Summit.

Matt ‘maw’ Wilson @maww - Nov 8

“Source code provides a view into the mind of the designer” – from @dorosamo’s #LinuxFoundation keynote on open science, and also conservation of Free and #OpenSource software in @SWHeritage

YES!

Josef Harush Kadouri @josefharush - Nov 10

Had a blast presenting at #LinuxFoundation about the lessons we learned tracking open-source supply chain attackers

Dr. Erik Ketai @eketai - Nov 10

In a valley near fishing a little larger than I’d planned, but we got to see everyone – every the goddess that I was. This is the moment we use to great advantage & collaboration in #OpenSourceSupport

Lisa Davis @lisadavis - Nov 10

#LinuxFoundation was a great time - see you next year! And about @dorosamo – was the highlight of the event

Shawn Probst @shawnprobst - Nov 8

Thank you, Linux Foundation for an amazing event. Can’t wait to be back in Oct 2023

Anne Goin @goinanne - Nov 8

You can never see the same event twice - had the best.

Katie Olson @katieolson - Jan 7

This was an amazing event. Lil happy to chat with @knight - a caring, learning, and sharing community - event at the Open Source happy hour hosted by @galinat - Oct 8

Abby Coleman @acoleman - Nov 7

Helping to move the #OpenSource community forward is a huge win for all.

Katie Olson @katieolson - Nov 7

Nothing is possible without a community.

Anne Goin @goinanne - Nov 8

This was an amazing event. Lil happy to chat with @knight - a caring, learning, and sharing community - event at the Open Source happy hour hosted by @galinat - Oct 8

The Linux Foundation @linuxfoundation - Nov 9

An event not to miss. Great networking and learning opportunities, and meeting some amazing innovators.

#LinuxFoundation #OpenSource #Networking
