Additional Speaker and/or Panelists

Note: Each session is allowed (1) primary speaker and (1) co-speaker. The primary speaker and co-speaker for a proposal will receive a complimentary conference pass. All submissions with more than 2 speakers are considered panels and should be submitted as a panel discussion. Note that we do not allow panels with only men. For panel discussions, all panelists will receive a complimentary conference pass; there is a maximum of 4 panelists & 1 moderator.

Is this a panel discussion?*

Abstract*

Provide an abstract that briefly summarizes your proposal. Provide as much information as possible about what the content will include. Do not be vague. This is the description that will be posted on the website schedule if your talk is selected, so be sure to spellcheck, use complete sentences (and not just bullet points) and write it in the third person (use your name instead of I). Remember that this description is what will make an attendee decide whether your session would be a good fit for them. Be sure to provide enough information to help attendees make the right choice. Be clear and concise. The presentation selection process is very competitive, with many proposals rejected. A well-written abstract will significantly increase the possibility of the proposal being accepted.
