2023 SPONSORSHIP PROSPECTUS

About WasmCon

September 6-7 | Bellevue, Washington

WasmCon is the premier conference for technical developers and users interested in exploring the potential of WebAssembly. This two-day event will bring together 400 leading experts, developers, and users from across the Wasm community.

WasmCon will feature a diverse range of sessions, workshops, and keynote speakers, all focused on providing attendees with the latest insights and best practices for working with Wasm. Whether attendees are interested in performance optimization, security considerations, or integrating Wasm into existing applications, there will be content for everyone.

In addition to the technical sessions, WasmCon provides attendees with numerous opportunities to network with peers and build relationships with other developers and users in the Wasm community.
