

Salzburg

2024

8-11 July | Salzburg, Austria

# 2024 SPONSORSHIP PROSPECTUS

## About the Event

8-11 July | Salzburg, Austria

The R language is a free, robust, popular open source tool and platform used in all areas of data analysis, statistics and visualization.

Standing out as one of the most quickly growing programming languages in the world, it is used in a large array of companies and academic organizations in finance, business, biology, bioinformatics, humanities and all areas of Science.

Standing the test of time in the past 20 years, the language has become a dynamic and exciting entity that is contributed to by thousands of developers and users across the world, in academia and industry alike.

## Who Attends?

Attendees include R developers and users who are data scientists, business intelligence specialists, analysts and statisticians from academia and industry, as well as students. All levels of R programmers and users attend useR!, from those early in their career to senior executives.

## Benefits of Sponsoring

Sponsorship of useR! 2024 is an opportunity to visibly support the R Community to reach a large group of highly skilled data science professionals, to support your organization's analytics or data science pipeline and to help make the conference a success.
