A private reception and dinner will follow the Summit and will be an exclusive opportunity for sponsors to connect with top leadership from end user members, select prospective end user members, CNCF + Linux Foundation executives, and members of the CNCF Board of Directors.

Benefits include:
• (1) 5-minute speaking opportunity at the end of the Summit
• (2) tickets to the Reception + Dinner
• Logo recognition on signage at Dinner
• Option to provide materials or swag (subject to CNCF approval) either at the Summit or Dinner
• Recognition in Summit attendee communications; including a 100-word message from the sponsors to be included in a CNCF post-event email
• Mention in the final Summit research report

Sponsorship does not include participation in the Summit as participation is exclusive to invited end user leaders only.
Benefits of Sponsorship:

- Engage with the industry's top developers, end users, and vendors — including the world's largest public cloud and enterprise software companies as well as innovative start-ups.
- Inform and educate the cloud native community about your organization's products, services, open source strategies, and cloud native direction.
- Take advantage of a professionally-organized conference run by a neutral nonprofit where content is curated by the community.
- Meet with developers and operations experts ranging from startup CTOs to corporate developers to senior technology executives from all over the world.
- Associate your brand with one of the fastest-growing technology communities.
- Support and engage with the ecosystem and the community that is the engine driving some of the highest velocity open source projects in the industry.
- Join CNCF’s hosted projects such as Argo, containerd, CoreDNS, Cri-O, Envoy, etcd, Fluentd, Flux, Harbor, Helm, Istio, Jaeger, Kubernetes, Linkerd, Open Policy Agent, Prometheus, Rook, SPIFFE, SPIRE, TiKV, TUF, Vitess, and many more — and help bring cloud native project communities together.
- Give back to the open source community. CNCF reinvests profits from our events to directly support CNCF's hosted projects.
