GraphQLConf — The Official Conference by the GraphQL Foundation

GraphQLConf, presented by the GraphQL Foundation, is a premier event uniting the global GraphQL community to promote education, adoption, and advancement of GraphQL. This conference offers valuable insights through workshops, presentations, and panel discussions, covering best practices, innovative use cases, and the latest advancements in GraphQL. By bringing together a diverse group of developers, architects, and technology enthusiasts, GraphQLConf sets the stage for the ongoing success and expansion of GraphQL and its ecosystem across industries.

Why Sponsor GraphQLConf 2025?

In its 3rd year, GraphQLConf is excited to take place in Europe, reaching more community members across the globe. GraphQL is in a hyper growth phase with prominent production deployments in a wide range of high profile companies such as Airbnb, Atlassian, Audi, CNBC, GitHub, Major League Soccer, Netflix, Shopify, The New York Times, Twitter, Pinterest, and Yelp. By 2027, more than 60% of enterprises will use GraphQL in production, up from less than 30% in 2024, according to Gartner. Are you looking for an effective way to reach a large audience and establish your brand as a thought leader? Sponsoring GraphQLConf is a unique opportunity to gain valuable mindshare with an elite audience that will define how organizations adopt and expand their usage of GraphQL.

GraphQLConf attracts members of the GraphQL community from around the world. Developers, users, architects, and technology leaders from multiple industries will gather in Europe to meet, collaborate and build. GraphQLConf 2025 represents one event in the GraphQL Foundation's official conference series for GraphQL. Investing in GraphQLConf provides the opportunity to build brand awareness and loyalty with leaders and decision makers in organizations across the GraphQL community.
